REPORT
No. 2032

HITOMI MATSUSHITA

JULY 1 (legislative day, JUNE 27), 1952.—Ordered to be printed

Mr. McCARRAN, from the Committee on the Judiciary, submitted the following

REPORT

[To accompany H. R. 6640]

The Committee on the Judiciary, to which was referred the bill (H. R. 6640) for the relief of Hitomi Matsushita, having considered the same, reports favorably thereon without amendment and recommends that the bill do pass.

PURPOSE OF THE BILL

The purpose of the bill is to waive the racial barrier to admission into the United States in behalf of the minor Japanese stepchild of a United States citizen serviceman. The child would be considered to be a nonquota immigrant which is the status normally enjoyed by the alien minor children of citizens of the United States.

STATEMENT OF FACTS

The beneficiary of the bill is the minor Japanese stepchild of Sgt. Paul C. Henry, who was married to the child's mother in Japan on August 8, 1941. The mother is eligible to enter the United States as the wife of a United States citizen serviceman under the provisions of Public Law 6 of the Eighty-second Congress.

Representative Marguerite S. Church, the author of the bill, submitted to the Committee on the Judiciary of the House of Representatives the following statement in connection with the bill:

STATEMENT IN SUPPORT OF H. R. 6640, A BILL FOR THE RELIEF OF HITOMI MATSUSHITA

Sgt. Paul C. Henry, RA36638881, is a citizen of the United States and a member of the Armed Forces thereof. He married Tomiko Matsushita on August 8, 1951, while he was stationed in Japan with the Army.

Tomiko Matsushita is the natural mother of Hitomi Matsushita, a minor child born of a previous marriage. The father of said minor child is deceased and unless

the above-captioned bill is passed, the mother will be forced to make a choice between following her husband to the United States and abandoning her child, or breaking the marriage and remaining in Japan.

Sergeant Henry has agreed that he will support the minor child if allowed to bring her to the United States and on no account will allow her to become a public charge. He has further agreed that he will adopt said minor child in a proceeding in a court of competent jurisdiction as soon as is practicable after the child arrives in the United States.

Sergeant Henry has recently been returned to duty in the United States. Mrs. Henry is now waiting in Japan pending the outcome of the action of this bill.

For the foregoing reasons, I believe the above-captioned bill to be both fair and equitable. I respectfully request that it be acted upon without delay.

MARGUERITE STITT CHURCH, M. C.

In addition, Mrs. Church submitted the following documents with reference to the case:
